* This is used to obtain academic record information for registration at national tournaments as well as to complete some administrative tasks such as background checks for van drivers. If you do not wish to supply this number now, you will be asked to supply it as needed.

Event and Partner Selections

All competitors are required to compete in debate or individual events to be eligible to participate in tournaments feeding into NPDA, Pi Kappa Delta, or other debate or IE national tournaments. While students are not required to compete in both debate and IE, crossover is welcome and encouraged.

Please indicate below which area is your primary area of interest and which is your secondary area of interest. In other words, if you had to choose between debate nationals and IE nationals, which would you want to go to first? Similarly, which are you intending to place the greatest preparatory emphasis on? If you only want to do debate or IE, indicate your preference as your Primary Area.

Primary Area	Debate (Parliamentary Debate) (LD)	Individual Events
Secondary Area	Debate (Parliamentary Debate) (LD)	Individual Events

Which individual events would you like to compete in (keeping in mind the requirements specified above)? Competitors selecting individual events as their primary area will be required to compete in at least two different genres of individual events (public address, limited preparation or oral interpretation). Select **NO MORE THAN** five events. Rank your preferences 1-5 (one is most preferred). Event descriptions are on the team website at <http://forensics.truman.edu/whatwedo.html>

Event	Genre	Rank Preference	Event	Genre	Rank Preference
Extemp	LP		After Dinner Speaking	PA	
Impromptu	LP		Prose	Interp	
Persuasion	PA		Poetry	Interp	
Informative	PA		Duo	Interp	
Rhetorical Criticism	PA		Dramatic Interp	Interp	
Lincoln-Douglas Debate	PA/Debate		Program Oral Interpretation	Interp	

Event selections are not contractual commitments and are merely used to measure the need for finding topics in certain areas. Event preferences can be changed at any time.
